#### KEY NOTES

**E O** Electronic-only titles are continuously updated throughout the publication year.

**OA** Open access.

<sup>1</sup> *Chinese Physics C* is part of the SCOAP<sup>3</sup> initiative ([scoap3.org](http://scoap3.org)), and as such the prices of products containing this title have been reduced to reflect this. The CPC full price is \$1,765 for print and electronic, and \$1,617 for electronic-only. For further information go to [iopscience.org/info/page/openaccess-scoap3](http://iopscience.org/info/page/openaccess-scoap3).

<sup>2</sup> Non-package subscriptions only available from EDP Sciences at [epjjournal.edpsciences.org](http://epjjournal.edpsciences.org). Publishing 24 online issues per year (with 12 printed journals containing two issues each).

<sup>3</sup> All subscriptions to Turpion journals include electronic access dating from the first English-translation volumes.

<sup>4</sup> Combined subscription with *Applied Physics Express*. Also includes 18 special issues.

## IOP Journal Archive

**Provide your researchers with permanent access to the definitive electronic collection for the scientific, technical and medical community.**

Complete your digital collection with the IOP Journal Archive and give your researchers the opportunity to reach their full potential. From single-title journal archives to the full IOP archive dating back to **1874**, you can ensure that your institution is at the forefront of research.

Contact your regional representative for details.

[iopscience.org/archive](http://iopscience.org/archive)

## Packages

### IOPscience | extra™

IOPscience extra™ is an electronic-only subscription package providing access to our complete journals portfolio, partner titles, the complete journal archive (every article published since 1874) and all *Physics World* content (including the archive).

**NEW FOR 2018** – now includes *Quantum Science and Technology* and *Flexible and Printed Electronics*.  
Please contact your regional representative for details.

The following packages are available in print and electronic or electronic-only format and include a 10-year full-text archive (2008–2017 inclusive, where applicable).

#### **PACKAGE B** Package B subscribers can save 50% on Package F

##### **Professional research and review journal pack**

- Applied Physics Express
- Chinese Physics C
- Classical and Quantum Gravity
- European Journal of Physics
- EPL
- Inverse Problems
- Japanese Journal of Applied Physics
- Journal of Cosmology and Astroparticle Physics
- Journal of Instrumentation
- Journal of Optics
- Journal of Physics A, B, D and G
- Journal of Physics: Condensed Matter
- Journal of Statistical Mechanics: Theory and Experiment
- Measurement Science and Technology
- Nonlinearity
- Physica Scripta
- Physics Education
- Physics World
- Physics–Uspekhi
- Reports on Progress in Physics
- Semiconductor Science and Technology
- Superconductor Science and Technology

**Print and electronic package price (15% discount)**

**\$90,350**

**Electronic-only package price (15% discount)**

**\$82,326**

#### **PACKAGE C**

##### **Professional education journal pack**

- European Journal of Physics
- Physics Education
- Physics World

**Print and electronic package price (15% discount)**

**\$3,922**

**Electronic-only package price (15% discount)**

**\$3,743**

#### **PACKAGE D**

##### **Medical journal pack**

- Physics in Medicine & Biology
- Physiological Measurement

**Electronic-only package price (15% discount)**

**\$5,177**

## PACKAGE F

### Applied science and technology journal pack

- Fluid Dynamics Research
- Journal of Micromechanics and Microengineering
- Modelling and Simulation in Materials Science and Engineering
- Nanotechnology
- Plasma Sources Science and Technology
- Smart Materials and Structures

#### OPTION 1 (stand-alone)

**Print and electronic package price** **\$13,749**  
(15% discount)

**Electronic-only package price** **\$12,678**  
(15% discount)

#### OPTION 2 (Package B subscribers only)

**Print and electronic package price** **\$8,088**  
(50% discount)

**Electronic-only package price** **\$7,458**  
(50% discount)

## IOP | ebooks™

IOP ebooks is an award-winning book program that brings together innovative digital publishing with leading voices from across physics.

COLLECTION	Release 4 (2017)	Release 5 (2018)	Previous releases
Expanding Physics	<b>\$4,800</b> (20 books)	<b>\$7,200</b> (30 books)	Contact your regional representative for pricing (50 books)
Concise Physics	<b>\$6,000</b> (50 books)	<b>\$6,000</b> (50 books)	Contact your regional representative for pricing (115 books)
	Release 1 (2017)	Release 2 (2018)	Previous releases
