Print on demand is available through IOP Publishing's journal platform, [IOPscience](#). Costs will vary depending on the size of the issue, number of copies ordered, and the delivery location.

## To order your copy:

1. Go to the journal homepage on [IOPscience](#) and select the issue that you would like to print. You can use the "Current volume" drop-down list at the top of the journal page.
2. On the table of contents page for the issue you have selected, you will see a link "Buy this issue in print". By clicking on this link, you will be taken to the print-on-demand service provided by our printing partner, [Hobbs the Printers Ltd](#).
3. Select the following:
  - Number of copies needed
  - Country where the copies need to be sent
  - Delivery service required
4. You will then be given a quote for the cost and can proceed to submit the delivery and billing addresses.
5. You will then be presented with an order summary where you can input your payment details and complete your order.
6. Hobbs the Printers Ltd will send you an e-mail to confirm your order and will send you an e-mail when the issue has been dispatched.
